I Do Events is a full service wedding design & rental company providing jaw dropping decor and service.

We combine great people, products, and 14 years of experience to provide you with event expertise and an extensive inventory selection. Our resources and capabilities allow us to uniquely partner with clients to execute a beautiful and stress free event.

We would not be where we are today without our partnership program.
“We are only as strong as our team.”

Heather and the entire team at I Do Events are wonderful to work with. They have a great selection of linens, are competitively priced and have an impeccable attention to detail. Even more, they have outstanding customer service, they are reliable, accommodating, and friendly. We are grateful for the relationship we have established with I Do Events!

I Do Events is fabulous! As a wedding planner, I rely on a lot of vendors to come together to create a spectacular event – and I Do Events is usually the first call I make! I always rely on them to transform a room from a cold, impersonal space – into one that has depth, warmth, and elegance. I’m always an advocate for the difference chair covers make in a room but I especially love all of their full-length linens – talk about adding color and visual interest to a room! Not only are their products wonderful – but the service is great as well! I can’t say enough good things about Heather and her team!

The Options

OPTION #1 - BECOME A CORPORATE CLIENT

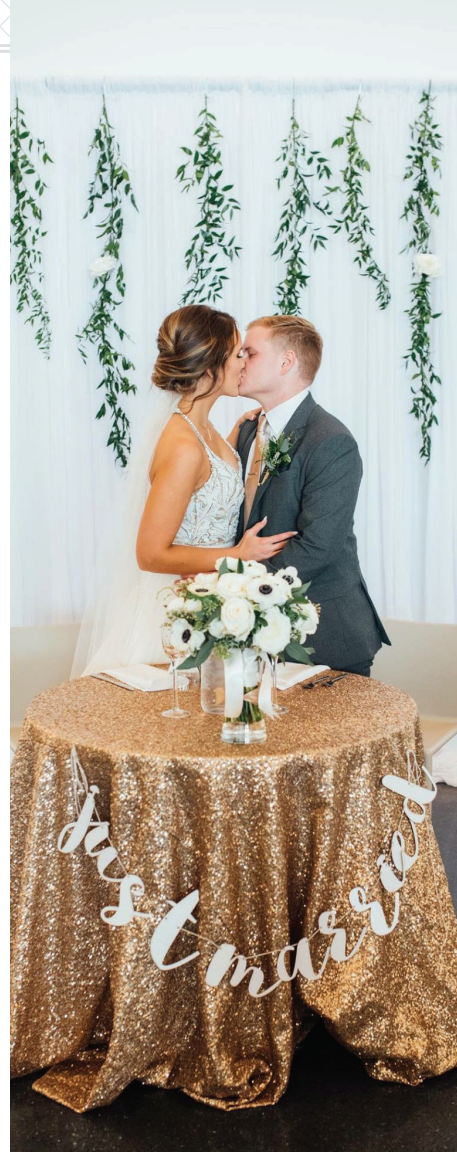

This is by far our most popular option as it allows you to share in a bit of the profit. We offer our rental products at a discounted rate to you and in return you upsell them to your clients. We still offer the same exceptional service, but you become our client and point of contact.

OPTION #2 - BECOME A REFERRAL CLIENT

By referring your wedding clients directly to us with one of our "Share the Love" cards, you automatically become one of our referral clients. We handle all the legwork, but both you and your client enjoy all of the perks!

OPTION #3 - A LITTLE BIT OF BOTH!

We're extremely flexible here at I Do Events, so feel free to pick and choose which option works best for you and your clients individually.

The Perks!

- **PROFIT SHARING** - With the Corporate Client option, you get the added bonus of extra profit!
- **VIP** - With the Referral Client option, your clients get extra perks as well. We roll out the red carpet with welcome gifts and preferred pricing on upgrades.
- **EASY ORDERING** - Order online, send us an email, call us or chat.
- **SETUP** - When you meet our small minimum order, we setup all of our items.
- **TEARDOWN/PICKUP** - We come back the following day to remove all of our items. Need everything out the same night? No worries, we've got solutions for that too!
- **ELEGANT EXPO BRIDAL SHOWS** - We've got your complimentary decor needs covered.
- **TABLE DISPLAYS** - Since what we do is so visual, we will gladly setup a display in your showroom to enhance your decor.
- **SAMPLES** - We will provide you with samples and color swatches whenever needed.
- **LAST MINUTE** - Have some last minute needs. No worries! We get how crazy things can get. We even have an emergency line!
- **EXTRAS** - We automatically bring 10% over what you've ordered, just in case!
- **SOCIAL MEDIA** - We reach out to the photographers from all of our events and post their pictures on our social media pages. Feel free to use any of the photos featuring you as well!
- **CONFIRMATION EMAILS** - We reach out to you directly to coordinate access times and then confirm the event details in our weekly confirmation emails.
- **TASTINGS** - Want us to decorate for your tasting events. Just let us know!
